

MOTO PIZZA

***Available daily for pickup between 4-7:30pm (Collingwood location)**

Our pizza is created using house-made double stretched Sicilian beer dough. Topped with a brick, white cheddar and mozzarella cheese blend loaded right to the edges of Detroit Style pizza pan caramelizing the cheese while the pie bakes, the end result is a thick, tender-yet-chewy, extra-crisp *crust*. Finally, as the pizza rests out of the oven, a lightly seasoned tomato sauce that carries a vine-ripe aroma is ladled on top.
